

Recommended hunting schedule:

- start from PARKING, go up with the red tourist marks to STAGE1
- still with the red tourist marks go to KR01, turn right, go cca 130m up on the forest path to KR2
- KR02: turn left, follow blue tourist marks to STAGE2
- near the STAGE2, find a rock that is similar to ice-cream and make FOTO1
- still with the red tourist marks go to KR03 (Rozcestí pod Skalkou)
- KR03: turn sharp left with the red marks and go to STAGE3
- still with the red marks go to KR04 and turn right
- go to KR05 turn left and by the road go to KR06
- KR06: continue straight on forest path to KR07
- KR07: turn left, cca after 100m (KR08) turn right
- up and by the forest path, cross the stream go to KR09
- near the KR09 find a rock with a beech growing close to it and make FOTO2, then go to STAGE4
- KR09: turn left by the forest path (ski path ZBT-05) and go under STAGE5
- by the forest path go to village Zvule, on the info tag (INFO) find answer to the question 3
- by the fishpond dam go back to PARKING

HUNTING LIST

Tasks:

1. Pair together individual stages (1-5) and photographs of rock formations present there (letters). One of the photographs was not taken in this locality.
2. What is the elevation of the top Skalka?
3. In which year was built the fishpond Zvule, what is its area?
4. Take photos of yourself in two described sites and attach them to your log.
